

FELONS GIN

'DISTILLED BY ROGUES'

We've long thought that there's nothing quite like a crisp, fresh G&T.. apart from, perhaps, a killer Martini.

So, we set about creating our very own gin and after a few cracks at the whip and a few late night Martini sessions, we think we struck liquid gold.

Felons Gin is our no-nonsense, contemporary gin which uses ten botanicals to deliver a luscious, fresh, citrus flavour... and it's all distilled right here in Rogue.

It's great with Fever Tree Tonic and a lemon wheel, it's great served as a chilled Martini, it's even great just served, no-frills on the rocks.

Felons is available to purchase for £25 per bottle, just ask your server for details!

ENJOY.
